FLOOR**ZILLA**

Saves personnel costs

FloorZilla swing enables quick, easy and thorough cleaning.

Time saving

Up to 20% less working time.
Reduces the need for wiping.

Simple

Up to 60% less effort, even on rough terrain
safety floors, such as kitchens and sanitary areas.

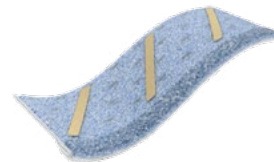

Thorough

Up to 70% more dirt removal and up to 10x faster,
even with less chemicals.

Experience lightness for every use

daily swing (with 0.2-carat diamond)
For thorough maintenance cleaning
and a smooth movement.*

power swing (with 1.5-carat diamond)
For efficient intensive cleaning
and improved shine.*

Inspired by its big brother

We have transferred the optimised cleaning performance of our
diamond pads to the FloorZilla swing flat mops.
